## ● ● ● IN FOCUS.....PUNCTUALITY

Punctuality is a big pastoral focus at the current time in school.

As a reminder, all students should be in school by 8.25am

It is also important that students arrive promptly to all lessons so as not to delay learning. Weekly punctuality reports are run in school and are monitored closely by the pastoral team. Sanctions for persistent lateness will be issued.

Being punctual demonstrates you are organised, dependable, professional and respectful. These are all great skills to practice now to carry forward through life!
