## IN FOCUS....THE GRANGE GAZETTE

Every half term we round up all of the latest news, information and achievements in our school newsletter the Grange Gazette.

We love to feature student accomplishments both in and out of school. If your child has something they feel proud of they wish to share with our school community, we'd be delighted to feature it! Please do send any details through to [marketing@grange.bucks.sch.uk](mailto:marketing@grange.bucks.sch.uk)

One slight change to next academic years' newsletter is that our usual feature of Year Group Round-Up's will now appear in the second edition of each half term only. This will enable a more detailed summary of everything the students have worked on and achieved in the term.

All back issues of the newsletter are [archived on our school website](#).

We hope you enjoy the final edition of our newsletter for the 2022/23 academic year! We really do love putting it together to reflect on just how much we do as a school. #WECAN
