IN FOCUS - JOIN OUR TEAM!

We require Learning Support Assistants to provide individual support and personal/pastoral care for students with physical and/or learning disabilities.

Come and join a friendly and supportive team where community sits at the heart of everything we do. We are looking for someone who is passionate about inspiring students to achieve their full potential.

It would be desirable for the successful candidates to have the following, however training will be given:

- Knowledge of the needs of students with learning difficulties/physical disabilities
- Experience of working with students of secondary school age (preferably in an education setting)

For further details and to apply, please follow the link to our [website vacancies page](#).

Our school offers a comprehensive induction and ongoing training, a well valued staff wellbeing package and use of our multi-gym. We are also proud to have an active staff social committee who arrange lots of fabulous events and activities for our team to enjoy.
