

THE GRANGE SCHOOL

Mr V Murray – Headteacher

February 2025

Dear Parent/Carer

Re: Extension of Work Experience Placement Deadline

We understand that some of our students are facing challenges in securing a work experience placement due to the evolving nature of the workplace. Additionally, we recognise that many students have already found placements but are still awaiting final confirmation.

To support our students, we are extending the deadline for securing a work placement to **Monday 31 March 2025**.

For those who need assistance, we encourage students to attend our **work experience drop-in session after school in V3**. This session is supported by a team of dedicated Sixth Form volunteers who are available to help with sending emails, making phone calls, and working alongside our Year 10 students to secure placements.

We appreciate your support in ensuring that all students benefit from this valuable opportunity.
