IN FOCUS - THE £10 CHALLENGE

From Monday 7 July to Friday 18 July some of our successful Year 9 Enterprise students will be taking part in the £10 Challenge.

These students will be setting up and running their own mini businesses during break times, lunch times, and after school.

A variety of products will be available for purchase, including bracelets, travel games, and sweet bags.

Everyone will be able to browse what's for sale and make purchases if they wish to do so. This is a cash only project so students will need to remember to bring some spare change into school for the next two weeks.
