Work experience is the way forward!

Download your free [Guide to Work Experience for Young People and Parents/Carers](#), and see work experience in action as two year 10 students gain confidence and skills during a one-week placement.

All about apprenticeships

Learn all the ins and outs of apprenticeships thanks to webinars with the BBC and BP, insights into STEM, and an event for parents and carers to learn more about apprenticeships and feel empowered when guiding their children through their next steps.

Key dates and opportunities to know about

From World Space Week to Creative Careers Month, physics events to animation taster days, and STEM courses to college open days, **there's plenty to get your teeth into.**

SEND Opportunities Showcase

8th October 2025, 3.30–6pm,
Aylesbury

A calm and spacious event for students in years 9–13 with EHCPs to explore vocational pathways, personal development, employment & supported internships. **Find out more.**

Future of STEM Competition

A unique opportunity for students aged 14–19 to showcase research and problem-solving skills in tackling global challenges, with the chance to gain supercurricular experience, mentorship, and prize money.

Learn more here.

Parents/Carers - can you or your employer offer work experience?

Learn how parents/carers can **help prepare their children for the future** by encouraging their own employers to offer work experience or visits. Plus, there's advice for those who run their own business on providing work experience.
