INSPIRATION

Some Activities to Try!

Explore by researching various Christmas traditions from around the world e.g. traditional Christmas Meal, religious practices, events and celebrations, items of clothing worn over the Christmas period.

Create something inspired by your own culture or tradition. This could be baking, drawing, a performance, or a craft activity. Alternatively challenge yourself to find something from elsewhere in the world. It will be great to know what the global Christmas traditions are!

Please send us the fab pictures of your work to Miss Glenister at nglenister@grange.bucks.sch.uk
We would love to see what you have been getting up to! We would also love to **share these** via the school's social media platforms and website.
Prizes for the most creative are up for grabs!
