| <b>Key Learning Objectives</b>               | <ul style="list-style-type: none"> <li>• To study the political, economic, social and cultural aspects of democracy and dictatorship and the role ideas played in influencing change</li> <li>• To analyse the causes, nature and conclusion of the First World War. To consider the role of key individuals and groups in shaping change and how they were affected by and influenced international relations.</li> <li>• To gain an understanding of how medicine and public health developed in Britain. It considers the causes, scale, nature and consequences of short- and long-term developments, their impact on British society and how they were related to the key features and characteristics of the periods during which they took place. This is a thematic study where the students will study the importance of the following factors: war, superstition and religion, chance, government, communication, science and technology, the role of the individual</li> <li>• To study in depth the last 35 years of Elizabeth I's reign. The study will focus on major events of Elizabeth I's reign considered from economic, religious, political, social and cultural standpoints, and arising contemporary and historical controversies.</li> </ul> |
| <b>Curriculum Content – Year 10</b>          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
