

Book your free place on our NHS careers talks

Explore careers. Meet healthcare professionals. Discover your future.

Why come? Our free early evening careers events will help you to:

- Gain insight into the wide range of NHS careers
- Discover career options you may not have considered before
- Learn about different routes into healthcare careers
- Ask questions and get advice from NHS professionals
- Build your knowledge and experience for university, college or job applications and interviews

Who should attend? Part of our BrighTfutures@BHT programme, these events are ideal for students in Years 7-13 who are interested in healthcare, helping people or exploring future careers in the NHS. Bring a friend or family member!

 **Venue:** Stoke Mandeville Hospital (in the lecture theatre), Mandeville Road, Aylesbury, HP21 8AL
