IN FOCUS - ATTENDANCE

Regular school attendance is one of the most important factors in a child's academic success, wellbeing and overall development. Every lesson counts, and even occasional absences can quickly add up, leading to missed learning, valuable teacher feedback and social opportunities with peers. The Department for Education continues to emphasise the importance of strong attendance, highlighting its positive impact on achievement, mental health, resilience and a sense of belonging.

Families play a vital role by encouraging daily attendance, establishing consistent routines and communicating promptly with the school if their child is unable to attend. We ask all parents and carers to work closely with us to ensure every student has the best possible opportunity to thrive both academically and personally. Absence can be reported on the MCAS app or by calling our Attendance Team on 01296 390959
