Dear Parent/Carer

Re: Sixth Form Dress Code

We are writing to seek your support regarding the presentation and dress standards of our Sixth Form students.

We recognise that for some of our students consistently meet our expectations and wear their Sixth Form attire in a smart and professional manner.

Recently, however, we have identified a growing number of concerns relating to our dress code and safeguarding expectations.

In particular:

- **Skirts:** Students choosing to wear skirts should ensure they are no more than three inches above the knee. We have noticed an increasing number of students wearing very short, tight-fitting skirts that do not meet our dress code requirements.
- **Footwear:** Students are expected to wear smart, professional shoes. Trainers, Ugg boots, and similar casual footwear are not permitted as part of the Sixth Form dress code.
- **Lanyards:** All Sixth Form students must always wear their school lanyard whilst on site. This is an important safeguarding measure that allows staff to easily identify students.

We would like to remind all students and families that, where a student arrives at school in clothing or footwear that does not comply with our Sixth Form dress code, they will be asked to return home to change before rejoining lessons.

We appreciate your continued support in ensuring that our Sixth Form students maintain the high standards of presentation expected within our school community.

Yours faithfully

Mrs E Devanney
Head of Sixth Form
