IN FOCUS - STUDENT SHOUTOUTS!

At The Grange School, we are incredibly proud of the achievements of our students, both in school and beyond. Every day, our young people are demonstrating talent, determination, resilience and ambition in a wide range of activities, and we want to celebrate them!

Whether it's sporting success, performing in a drama production, achieving a music qualification, representing a club or county team, creating amazing artwork, fundraising for charity, volunteering in the community, or simply showing exceptional dedication and hard work, we'd love to hear about it.

We regularly feature student achievements across our social media channels, school website and newsletters, helping us shine a spotlight on the incredible accomplishments of our students and inspire others within our school community. If your child has achieved something they are proud of, and are happy to share this with our wider community please send:

- A photograph (where possible)
- A few words about their achievement
- Any relevant details, such as awards, competitions or events

Please email your submission to Mrs Cooper-Smith at lcoopersmith@grange.bucks.sch.uk
Let's celebrate the fantastic things our students achieve and showcase the talent, dedication and success that make our school community so special. We can't wait to share your stories!
