**Year 11 Overview**

Students continue to revise, use and add to their grammar knowledge. New grammar includes the near future tense, the perfect and pluperfect tenses(past), the near future and conditional tense and for some pupils we will look at the subjunctive present and imperfect. Topic work includes talking about your interests and influences, your town and area, shopping and transactions, identity and culture, future aspirations, work experience and the environment.

**Year 10 Overview**

In Year 10 we build on the grammar and vocabulary acquired at GCSE. We start by revising the 3 basic tenses of present, past and near future. During the year, through our topic work we introduce more in depth grammar work introduce the imperfect past tense, the present continuous tense and we study the two different verbs “to be” (ser/estar), a wider variety of adjectives and vocabulary. Topic work is based on local area, holiday and travel, my life in school and talking about identity and culture including social media.
