Year 11 Overview

Students continue to revise, use and add to their grammar knowledge. Topic work includes talking about local, national and global areas of interest – your town and local area, social issues including voluntary work, the environment and current social problems and travel and tourism.

Year 10 Overview

In Year 10 we build on the grammar and vocabulary acquired at Key Stage 3. We start by revising basic present and past tenses and build on these to include the future tense over the course. During the year, through our topic work we introduce more in depth grammar work with a wider variety of adjectives and vocabulary to develop independent learning skills. Topic work is based on relationships with family and friends to also include technology, freetime activities and customs and festival and discussing your school in relation to your studies, your life at college and school, your post 16 plans and future ambitions to build confidence and communication.
